## BALANCED BODY BRIDGE PROGRAM INFORMATION

### Why bridge to Balanced Body?

Teachers bridge over to Balanced Body for a wide variety of reasons including:

- » Being part of a renowned Pilates instructor training program. Our Balanced Body family of teachers represent quality, diversity and creativity within the Pilates community.

- » The ability to bridge into our Mat, Reformer or Comprehensive Pilates Instructor training program.
- » To take advantage of the widest array of continuing education conferences and courses available.

## Who can apply to the Bridge Program?

Any Pilates teacher or student who wants to complete or enhance their training through Balanced Body for example:

- » A Pilates teacher with an existing non-Balanced Body Pilates certificate of completion who wants to join the Balanced Body community.
- » A Pilates teacher who has started but not completed a non-Balanced Body Pilates teacher training program and who wants to complete their training through Balanced Body.
- » A Pilates teacher who has completed part of an instructor training program through a non-Balanced Body educator and wants to finish the process through Balanced Body.

## What will I have to do to bridge to Balanced Body?

Based on experience and certification goals, Balanced Body will customize a program to help you fill any gaps and obtain your goals. For someone who is already comprehensively trained, Balanced Body will minimally require you to take:

- » Movement Principles
- » Any Mat (Mat 3 Recommended)
- » Any Reformer module and
- » Any apparatus module

You will also need to purchase additional Balanced Body course materials based on your type of bridge and complete a practical test out. Once we receive your application, we will email you a customized course of study with your requirements for a successful bridge.

## What costs are involved?

The application fee is \$150 (US) regardless of the program. Once your program is designed, you will be given an estimate of the costs of completing the Bridge Program.

## Once I have successfully completed the Bridge Program, how do I keep my certificate current?

Balanced Body requires 16 hours of continuing education every 2 years. Credits can be earned by attending Pilates on Tour®, a CoreAlign® workshop, Passing the Torch™, Anatomy in Three Dimensions™, a Balanced Body workshop, or by attending any reputable Pilates course through non-Balanced Body educators.
